

Welcome!

Dear Parents, Participants, and Caregivers,

Thank you for choosing Calvin Center Therapeutic Riding Program. We look forward to working with you! Please read through all the information in this packet regarding registration and participation in our programs.

Calvin Center's Equestrian Program is a 501(c)(3) organization whose mission is to provide Equine Assisted Services (EAS) for the community. As such, all programs rely heavily on community support in the form of monetary donations and volunteer hours. We offer a variety of equine-based programming to include:

- Therapeutic riding (for those with cognitive, physical and/or emotional challenges)
- Recreational riding (for those without any limitations)
- Horses and Warriors – a program specifically designed for, and dedicated to, our US Veterans

We are a PATH (Professional Association for Therapeutic Horsemanship) International Premiere Accredited Center. The quality of our programs and our participants' safety are of the utmost importance to us!

We are so excited that you are interested in joining the program and we can't wait to learn and grow with you. Welcome to the family!
